Subject: 2nd APCRA Working Meeting, 10-11 October 2017, ECHA

Dear all,

You receive this evening because you were part of the APCRA Workshop last year in the US, hosted by the EPA colleagues. As agreed during our telephone-conferences, it would be worthwhile to have a face-to-face working meeting and focus on in-depth discussion with the project-teams and members, and discuss the overall APCRA progress. We also want to take the opportunity to discuss how we organise the continuation of the work in the future. A draft agenda will be discussed in our next regular phone conference.

ECHA has indicated to be willing to host this event, and based on your feedback we have started to plan the meeting for 10-11 October 2017 (start 9:00 on the 10th, end 17:00 on the 11th). This is a provisional announcement, and a formal invite will follow soon. For now, please pencil in the dates and reserve the time. A more formal invitation will follow soon.

Hope to welcome you all in Helsinki in October

Regards

Mike Rasenberg
